

Lewisville ISD Fine Arts

Music Private Lesson Rates | Rev. 8.12.25

Degreed Teacher	\$25.00 – 30 minute lesson
	\$21.00 – 22 minute lesson

Non-degreed Teacher	\$22.00 – 30 minute lesson
	\$17.50 – 22 minute lesson

Supplemental Personnel intending to serve as music private lesson teachers in LISD must be recommended for employment by a current full time LISD Band, Choir or Orchestra Director. The recommending Director will issue current Human Resources and Fine Arts department instructions for background clearance verification, fingerprinting and onboarding materials prior to issuance of an LISD badge. A current school year LISD name badge (including a current photo) must be clearly displayed for the entirety of time a lesson teacher enters and serves on an LISD campus. Please note that campus facilities may only be utilized for students who are actively enrolled in LISD Band, Choir and Orchestra programs.

An annual district facility usage payment of \$40.00 (payable by cash or check to LISD) must be submitted to the LISD Fine Arts office prior to the start of private lessons on campus each school year. This fee enables facility usage from the first day of school for one full calendar year through the first day of school the subsequent academic year.

The annual facility usage payment and badge pickup is completed at the Fine Arts Suite in the LISD Administrative Center: 1565A W. Main St. Entrance A, Suite 245 | Lewisville, TX, 75067. New school year badges for returning individuals will be distributed upon Frontline application renewal and submission of the annual facility usage payment at the outset of each school year.

Private Lesson and facility usage rates are reviewed annually utilizing comparative market information within the DFW Metroplex and across Texas.
