

Lewisville ISD

Secondary Performing Arts Media Acknowledgement

(HS/MS Band, Choir, Dance, Orchestra, Theatre, special programs)

Students participating in LISD Performing Arts programs (including Band, Choir, Dance, Orchestra, and Theatre) regularly engage in performance based activities and events as a part of the TEKS-based curriculum for these courses. Performing arts programs also provide opportunities for students to engage in extra-curricular performance activities and events. In some cases, additional campus activities may result in students outside of these programs participating in special programming, such as high school musicals or talent shows.

Participating students and families should be aware of the following:

- Performing Arts programs may utilize audio / video recordings and still photography to provide instructional support and feedback to students and to advance student performance opportunities
- Performing Arts programs may utilize audio / video recordings and still photography to preserve and commemorate student performances and to promote the respective performing arts programs in our schools and communities
- Curricular or Extracurricular performances open to the public may be live streamed and/or recorded and shared in part or whole with participating families or the general public; Footage or imagery from public performances may be utilized within program- or district-generated media, including within print materials and other digital media platforms
- Performing Arts programs may include student names within physical or digital concert programs, playbills, or other event promotional materials
- Live streaming services, A/V recordings, still photography, and print/digital program services may be conducted by LISD employees, third party vendors approved by LISD, or cleared volunteers engaged by program directors
- Although program directors and district entities do make every effort to communicate expectations regarding filming and recording by the general public when copyrighted materials are performed, LISD cannot guarantee there will not be unsanctioned streaming or recordings during live student performances

Parents or guardians with concerns about specific aspects of these common practices in the performing arts courses should confer with their respective program director(s).

PARENT/GUARDIAN ACKNOWLEDGEMENT: *As a parent/guardian of the student listed below, I acknowledge the contents of this LISD Performing Arts Media Acknowledgement and authorize my student to participate in the LISD Performing Arts programs under such terms.*
